Christmas Poinsettias

Poinsettias will be displayed in the Sanctuary during the live stream services beginning December 13th.

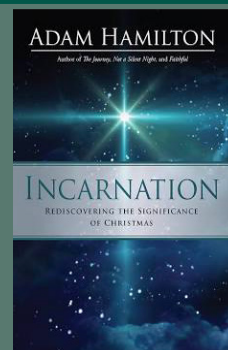

They may be picked up outside immediately following the parking lot service on December 20th or by appointment until December 22nd. They can also be donated to be delivered to our homebound friends between December 20th - 22nd. Each is \$12 and can be purchased online through our website, www.springfieldfirst.org; simply find our Online Store under the Resources tab. If you would rather pay by check or to arrange a pick-up, email Sally Howard. Dedications must be received by noon on December 10th.

Advent Small Groups

To accompany our sermon series during the season of Advent and to share together in the joy of Advent and Christmas, we will be offering small groups which will meet online during the four weeks leading up to Christmas (beginning the week of November 29). We have several new groups starting, along with ongoing groups and classes that will welcome newcomers. To see the list of Advent small groups and to sign up, visit www.springfieldfirst.org/connect/small-groups/.

Our companion book will be *Incarnation: Rediscovering the Significance of Christmas*, by Adam Hamilton. It is available at the church for \$12.
