Mission Garden SUMMER HELP

Calling all gardeners (experienced and not so much)! Each year, we plant a garden on our campus, and all of the produce grown is donated to the Kumler Food Pantry for the hungry of Springfield. The Mission Garden has been planted, and now we need your help! We are looking for volunteers to tend to the garden. Grab your family, friends, small group, or Sunday School class and choose a week to help out. During your chosen week, you will need to come out to the garden 2-3 times to water, weed, and harvest. Harvested goodies will need to be dropped off at Kumler Outreach Ministries. Don't worry if you have never done this before: a member of the Missions Council will meet you at the beginning of the week to show you the ropes. This is a great opportunity to get out and enjoy summer while making a difference! Visit our website, www.springfieldfirst.org, to sign up or for more information.

Do you enjoy singing? Join the Summer Choir! **Anyone is welcome to join us in the Choir Room Sundays, at 9:30am to prepare an anthem for the 10:30am Traditional Service. We will only practice one anthem for the immediate service and you can return any Sunday you are in town this summer. Contact See Tsai Chan at schan@springfieldfirst.org.**
