More details at
www.springfieldfirst.org

STARTING POINT

Starting Point – Nov. 8, 10:00-10:30am in Atrium 3

New to Springfield First?

Come and meet the pastors in a small group setting. Learn more about this community of faith, our vision, and opportunities to get more out of your experience here.

Contact Sharon Sweeney, Director of Connections, at ssweeney@springfieldfirst.org or 793-9760 x102 to register or for more information.

We will adhere to all social distancing and safety precautions.

One-Minute Mission is back!

We need your help putting together 300 treat bags for McClernand Elementary School on Sunday, October 25. Our OMM will take place immediately after the 9:00am and 10:45am worship services on that date. The location in the building is still to be determined, but it will be easily accessible for our congregation to engage in this unique serving opportunity. Our congregation has established a partnership with McClernand School, and we are excited about being in mission together.

On Saturday, October 31st, our church will distribute these treat bags to the McClernand School children. Contact Missions Council chairperson, Mike Chamness, for specific information about the distribution of these treat bags. You can reach Mike at cham1111@att.net or 299-8442.

Assorted Nuts Sales

Each year, the United Methodist Women sell nuts as a way to raise money for mission projects. This year, nuts can be purchased by **preordering not later than Sunday, October 25**. Each bag of pecan halves, pecan pieces, cashews, or mixed nuts will be \$12. To place your order, contact Barb Zuspann at 741-2550 or Mary Daugherty at 725-2105.

Senior Ministries

The December Senior Ministries Christmas trip to The Barn's show, *Christmas Past, Present, and Future* has been cancelled by The Barn.

We are sad to bring this news to you but look forward to when we can once again join in Christian fellowship together. Keep looking up! For additional information, contact Carli Burton at 793-9760 x111.
